1. Attach the mounting bracket of the fan to 2X material in the center of the eve of the building as shown in Figure 1.
2. Secure with lag screws as shown in Figure 1.
3. Attach the power cord to the fan with a drip loop and secure the power cord to the structure above the fan propeller so that the power cord cannot be hit by the propeller as shown in Figure 1.

SALES AND SIMILAR TAXES. The Company’s prices do not include the charge for any sales, use, excise, or similar taxes applicable to the sale of the product herein shall be paid by the Purchaser, or in lieu thereof.

WARNING. Acme products are designed and manufactured to provide reliable performance but they are not guaranteed to be 100% free of defects. Even reliable products will experience failures and this possibility should be recognized by the Purchaser and all End Users. These products are used in a life support ventilation system where failure could result in loss of injury or death. The information herein shall be held in Muskogee, Oklahoma.

WARNINGS. Acme products are designed and manufactured to provide reliable performance but they are not guaranteed to be 100% free of defects. Even reliable products will experience failures and this possibility should be recognized by the Purchaser and all End Users. These products are used in a life support ventilation system where failure could result in loss of injury or death. The information herein shall be held in Muskogee, Oklahoma.

LIMITED WARRANTY. If Purchaser fails to make such claim within the period prescribed, no remedy will be available.

Within 30 days after receipt of a timely claim, the Company shall either inspect the product in Purchaser’s possession or to request Purchaser to return the product to the Company at Purchaser’s expense for inspection by the Company. The Company shall either inspect the product, free or for-17ce change, any product it determines to be defective, and shall ship to Purchaser the repaired product to Purchaser F.O.B. point of shipment; provided, however, if circumstances are such as in the Company’s judgment it shall be better to remedy the covered defects, the Purchaser’s sole and exclu-26 sive remedy shall be to return the product to Purchaser of the product claimed defective in any product manufactured by it.

TITLE. The title and right of possession of the products sold herein shall remain with the Company and such products shall not be paid for by the Purchaser until all payments herein (including deferred payments whether evidenced by notes or otherwise) shall have been made in full. No delays in delivery will subject the Company to the Purchaser.

PRICE ADJUSTMENTS. Prices are subject to change upon notice by the Company. Prices on existing or-27 ders are subject to surcharges in the event of increases in materials and manufacturing costs. The Company may increase prices to reflect increases in materials and manufacturing costs. The Company may increase prices to reflect increases in materials and manufacturing costs.

SAFETY ACCESSORIES. The Company manufactures products designed to serve multiple applications and purposes. The Company recommends that all orders include applicable safety devices and guards and other devices, as may be required to meet applicable safety standards.
